Exchangeable and refundable. A 20% fee as well as the possible price difference between the old and the new ticket will be charged until 21 days before the train's departure and 50% until 8 days before the train's departure. After this date, the ticket cannot be exchanged or refunded

ACCESS CONDITIONS TO THE TRAIN

At stations in the Netherlands, you will need to scan your ticket's barcode in order to open the gates.

For safety reasons and to ensure the timely departure of trains, Eurostar travellers must be on the platform and ready to board their train no later than 5 minutes before the scheduled departure time. After that time, access to the train may be refused. Please also note that safety checks may be conducted.

You will need to show a legible version of the barcode either on your mobile phone or on a print-out in order for your ticket to be checked.
